- 2.5X stronger than steel, lighter than aluminum
- 3.Scratch-resistant: The Matte finish was formulated to resist scratches
- 4.Elegant Modern design: Carry a piece of functional art to show your friends, accept customized design
- 5.Luxury & Nice Design & Portable

Application

Store for cigars, business gifts, brand marketing, etc

Reviews

Hello Jenny, received the parts yesterday, the cutting and quality is really good thank you, 

all the carbon im going to be cutting will be painted, it looks really really good and customers want it. 

The cutouts are great! No issues with them. All the dimensions are cut to size
