Description

XC carbon fiber can develop carbon bottle opener with your needs in mind. Our carbon fiber bottle opener is matte finish on both sides to provide a beautifully silky look. They fit neatly on your key ring, purse without adding nearly no weight.

The carbon fiber bottle opener keychain is incredibly strong, non-flimsy, practical and nearly unbendable, with just only 2mm thickness. It's tested that they're 5 times stronger than steel and 40% lighter than aluminum. So carbon fiber credit card bottle opener are perfect and stiff enough for preventing from scratch.

Feature

1. Real 3K carbon fiber
2. 5X stronger than steel, lighter than aluminium:
3. At just 2mm thick, but are incredibly strong
4. Scratch-resistant: The Matte finish was formulated to resist scratches
5. Elegant Modern design: Carry a piece of functional art to show your friends, accept customized design

Application

bottle opener, gift, company promotional products, etc

Reviews

Hello Jenny, received the parts yesterday, the cutting and quality is really good thank you, 

all the carbon im going to be cutting will be painted, it looks really really good and customers want it. 

The cutouts are great! No issues with them. All the dimensions are cut to size
