
Carbon Fiber Card Holder

Specification	
Pattern	Twill
Surface	Matte
Color	Black
Logo	Pantone Silk Printing
Material	100% Carbon Fiber
Size	90*65*1mm

Description:

The new card type carbon fiber card holder perfectly interprets the word minimalism.

Even if the thickness is only 1mm, it does not affect the toughness of its carbon fiber raw materials at all.

This carbon fiber card holder is not only the size of a card. It can also be used to hold money, one card is dual purpose.

Advantage:

- Minimalist design, only card size
- Thin and light, only 1mm thick
- 100% carbon fiber raw materials
- Practical and durable
- Factory direct sales
